

## Family Talk – Dishonoring God

### READ TOGETHER

---

#### 1 Samuel 2:12-36

1. Why do you think Eli didn't discipline his sons?
2. Eli didn't follow the regulations of eating the meat of the sacrifice. How did this make it difficult to have disciplinary conversations with his sons?

### LIVE IT

---

Eli and his sons were getting fat off the sacrifices and His sons didn't respect any of the practices of the priests. As a family we have to follow Christ together.

How are you helping your children follow Christ, and how is your example helping them follow through?

This week make a plan as a family to be honest with each other when you fall short. Following God is worth the discomfort of possibly hurting someone's feeling while trying to help them follow Christ.

### LEAN ON GOD

---

Dear God,

Thank You for the warning of the sons of Eli. Help us to follow You completely and give us eyes to see where our hearts fall short.

Thank You for loving us.

Amen.
