

## Family Talk – God's Purpose for Marriage

### READ TOGETHER

---

#### Romans 6:19-22

1. Does God want you to be happy or holy?
2. What is the purpose of marriage?
3. Which will you try to have in life and in marriage, happiness or holiness? If you seek holiness you may get both! If you seek happiness you may get neither.

### LIVE IT

When we call ourselves Christians it makes us responsible to love God with all our heart and to love others. One day if we have a spouse, we can serve them with a love that makes them a priority before ourselves. I show God I am transformed in His holiness when I think of others first, myself last and God always.

### LEAN ON GOD

---

Help me to be holy for You now and serve others in my community, my church and my family, so that in marriage I'm prepared to serve my spouse in love too.

In Jesus name,

Amen
